### About Europcar Mobility Group:

Europcar Mobility Group is a major player in mobility markets and listed on Euronext Paris. Europcar Mobility Group's purpose is to offer attractive alternatives to vehicle ownership, in a responsible and sustainable manner. With this in mind, the Group offers a wide range of car and van rental services – be it for a few hours, a few days, a week, a month or more – with a fleet that is already "CO2 light" and equipped with the latest engines, and which will be increasingly "green" in the years to come (more than 1/3 electric and hybrid vehicles by 2023). Customers' satisfaction is at the heart of the Group's ambition and that of its employees. It also fuels the ongoing development of new offerings in the Group's three service lines - Professional, Leisure and Proximity - which respond to the specific needs and use cases of both businesses and individuals. The Group's 4 major brands are: Europcar® - the European leader of car rental and light commercial vehicle rental, Goldcar® - the low-cost car-rental Leader in Europe, InterRent® – 'mid-tier' car rental and Ubeeqo® – one of the European leaders of round-trip car-sharing (BtoB, BtoC). Europcar Mobility Group delivers its mobility solutions worldwide through an extensive network in over 140 countries (including wholly owned subsidiaries – 18 in Europe, 1 in the USA, 2 in Australia and New Zealand – completed by franchises and partners).
